### PASTURE 'C' SEEDER

A versatile, practical and low maintenance seeder suitable for all types of terrains. Sows a large range of seeds including lucerne, clover, phalaris, rye grass, rhodes grass, mixed seed and grain sorghum with the ability to use individual settings. The pasture seeder is not land wheel driven and can be mounted onto tractors, scarifiers, chisel ploughs, disc ploughs, carryalls, 4-wheel drives and utilities.
